

Cookie Policy

Welcome to GiiMe, a dynamic prop trading platform that offers traders a competitive environment to engage in funding challenges.

As part of our commitment to transparency and user privacy, we have created this Cookies Policy to explain how we use cookies and similar technologies on our platform. By accessing or using GiiMe, you agree to the use of cookies as described in this policy.

What are Cookies?

Cookies are small text files that are stored on your device when you visit a website or use a mobile application. These files contain information that helps improve your browsing experience and enables certain functionality.

How We Use Cookies

Essential Cookies:

We use essential cookies that are necessary for the operation of our platform. These cookies enable you to navigate our platform and access its features securely.

Performance and Analytics Cookies:

We utilize performance and analytics cookies to gather anonymous information about how you interact with GiiMe. These cookies help us understand user behavior, improve our services, and enhance your overall experience.

Functionality Cookies:

Functionality cookies allow us to remember your preferences and settings. This enables us to provide you with a personalized experience and tailor the content to your specific needs as a trader.

Third-Party Cookies:

We may allow certain third parties, such as analytics providers, advertising networks, and social media platforms, to place cookies on your device.

These cookies are subject to the privacy policies of these third parties and are used to deliver targeted content, measure advertising effectiveness, and provide social media integration.

Your Cookie Choices

Cookie Consent:

When you first access GiiMe, we will request your consent to the use of cookies in accordance with applicable laws. You have the option to accept or decline the use of cookies.

However, please note that declining cookies may impact your ability to fully experience and utilize the features of our platform.

Browser Controls:

Most web browsers and mobile devices allow you to control and manage cookies through their settings.

You can choose to block, delete, or disable cookies altogether. Please refer to your browser or device settings for more information on how to manage cookies.

Data Security and Privacy

We prioritize the security and privacy of your data. The information collected through cookies is used in accordance with our Privacy Policy. We employ appropriate technical and organizational measures to protect your data and prevent unauthorized access or disclosure.

Updates to this Cookies Policy

We may update this Cookies Policy from time to time to reflect changes in our practices or applicable laws. Any updates will be effective immediately upon posting the revised policy within our platform. We encourage you to review this policy periodically to stay informed of any changes.
